## OFFICE OF THE CHIEF ELECTRICAL ENGINEER IN MYSORE, BANGALORE.

*Notification, dated 22nd March 1933.*

Notice is hereby given that sealed tenders will be received at the Office of the Chief Electrical Engineer, Bangalore, up to 2 P.M., on the 15th April 1933, for "Constructing one Block of Quarters with latrine at Goribidnur Town."

1. The tenders will be opened in public at 2 P.M., on 15th April 1933. The work should be completed within three months and the monthly progress should not be less than Rs. 800.

2. The plan, detailed estimates and the conditions may be seen at the Office of the Chief Electrical Engineer, Bangalore on all working days during the office working hours.

3. The tenders should be accompanied by a statement in the form attached showing the rates at which different items specified will be executed. The rates should be in figures as well as in words.

4. Each tender must be accompanied by a deposit of Rs. 200 in Government Promissory Notes as earnest money and be superscribed "Tender for Constructing a Block of Quarters at Goribidnur Town."

5. The final acceptance of any tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or to assign any reasons whatever for the rejection of any tender. The Chief Electrical Engineer also reserves the right to accept or reject any portion of the tender.

6. Within eight days of the award of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful tenderer will be posted on the notice board of the Chief Electrical Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. The construction work should be started within a week from the date of notification of acceptance.

10. Water for construction should be got at the contractor's own expense.

11. Specifications for works are those recognised by the Mysore Public Works Department and Marroyt's specifications.

12. The contractor should be bound by the conditions of the schedule of contract of the Electrical Department.
